EDUCATION

Higher Secondary School

Shri Daulat Ram Public Sr.
Sec. School [2019]

Maharishi Dayanand University

Bachelor of Technology
(B.Tech) in Computer Science
Maharishi Dayanand
University (2019-2023)

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, React.js, Next.js, Redux, Bootstrap 5, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB, Mongoose
- **Tools & Technologies:** Visual Studio, npm, Postman, Netlify
- **Version control:** Git, GitHub

PROFILE

I am a passionate, driven-by-results MERN Stack Developer with entry level skills in developing effective, accessible web apps. I am proficient in both frontend and back-end programming languages. I can design end-to-end systems, integrating front-end and back-end elements. I am eager to start a career where I can apply my technical skills in a collaborative and agile environment.

PROJECTS

Portfolio

- Technologies: Tailwind, React.js, EmailJS
- Developed an engaging portfolio using the MERN stack, featuring dynamic animations. Enhanced user interactions with smooth transitions and animations, creating an immersive and visually appealing showcase of projects and skills..

Password Manager

- Technologies: React.js, Tailwind CSS, Node.js, Express.js, MongoDB.
- Developed a secure password manager application that allows users to store and manage their passwords in an encrypted database.
- Created a user-friendly interface using React.js, allowing users to easily add, edit, and delete password entries.

Dice Game

- Developed an interactive dice game with real-time score tracking, allowing users to compete to reach a target score.
- Focused on user interaction and responsiveness, improving gameplay experience.

Spotify Clone

- Technologies: HTML, CSS, JavaScript
- Built a basic Spotify clone with music streaming functionality, enabling users to play, pause, and skip songs.
- Designed an intuitive user interface with a responsive layout, providing a seamless user experience across devices.
- Implemented volume control and track management.
